

Pre-med Essay Competition

HOSTED BY MED GAMES

DEADLINE: APR 1, 2024

Med Games

Essay Prompt

In your essay, please discuss how **Artificial Intelligence** can be effectively utilized to enhance the preparation process for the **MCAT**. Consider the following points in your essay paragraphs:

1. Identification of key challenges faced by premed students in preparing for the MCAT.
2. Explanation of how AI technologies can be used by Med Games to address these challenges and improve study efficiency and effectiveness for students as part of the MCAT program.
3. **Bulk of the essay should focus on:** examples of AI-powered tools, applications, or platforms that can be used by Med Games to aid premed students in various aspects of MCAT preparation (e.g., content review, practice questions, test-taking strategies, study schedule creation etc.).
4. Potential benefits and limitations of integrating AI into MCAT preparation methods.

Submission Guidelines

Eligibility: The competition is open to all pre-med students hoping to write their **MCAT during the summer of 2024**.

Essay Length: Essays should be of maximum **750** words in length, excluding references (if any).

Format: Submissions must be in PDF format, double-spaced, with 12-point Times New Roman font and 1-inch margins.

Originality: All submissions must be the original work of the author. Plagiarism or use of AI modalities (such as ChatGPT) will result in disqualification.

References: If you reference any external sources or literature, please provide proper citations in the essay.

Submission Deadline: The deadline for submission is **April 1st by 11:59:59 PM EST**. Late submissions will not be accepted.

How to Submit: Please email your essay as an attachment to med.games.org@gmail.com with the subject line: "MCAT AI Essay Competition Submission - [Your Full Name]". In the body of the email, please include your full name, GPA (on OMSAS 4.0 scale), academic institution, and current academic status (e.g., undergraduate, graduate).

Winner: The winner will be announced at our MCAT Info Session that will take place on **Sunday, April 7th at 8 pm EST**. The winner **MUST BE** in attendance at the info session in order to claim the prize.

Prize: **FREE** registration to our Summer MCAT Mentorship Program valued at **\$999 CAD**. The Summer MCAT Mentorship takes place on the weekends virtually from 10 am to 5 pm EST and is taught by Canadian medical students. The recordings of all our lectures and practice sessions are provided to the students enrolled.

Further Inquiries: If you have any questions or need clarification regarding the competition, please don't hesitate to contact us at med.games.org@gmail.com.
